

BIOGRAPHY

Arvind Kaushal

Senior Vice President and
Chief Strategy Officer

Arvind Kaushal assumed the role of Senior Vice President and Chief Strategy Officer in November 2018. Arvind is responsible for leading the enterprise strategy team and shaping TE's strategy to take advantage of market shifts and create superior shareholder value. He leads the strategic planning process and works closely with the organization to drive alignment and focus on TE's strategic priorities.

From 2014 to 2018, Arvind was Vice President and Global Head of Strategy at Johnson Controls' Power Solutions division. In that role, he was responsible for leading a team of professionals to address major strategic opportunities and support strategy execution to grow revenue and improve margins.

Prior to Johnson Controls, Arvind was a Partner with Strategy& (formerly Booz & Company) and led the firm's manufacturing team in North America. He took on progressively senior positions with the firm over his 15-year tenure, advising senior executives on building capabilities required for driving growth and creating competitive advantage. He also led several growth strategy and operational transformation projects in industrial and automotive industries while at Strategy&, with a focus on North America, Europe, China, and India.

Arvind has an MBA (PGDCM) from the Indian Institute of Management Calcutta, India. At IIM Calcutta, Arvind was awarded Gold medal and was placed on Institute's Honor Roll for academic excellence. Arvind received a Bachelor's degree in Electrical Engineering from the Indian Institute of Technology Roorkee (formerly UoR), India.
